

The background image shows the exterior of the President Wilson House, a historic building with a red brick facade and classical architectural elements. Two prominent white columns support a portico above a central window. Below the main text area, a dark door is flanked by two illuminated lantern-style light fixtures. A large, semi-transparent red rectangle is overlaid on the center of the image, containing white text.

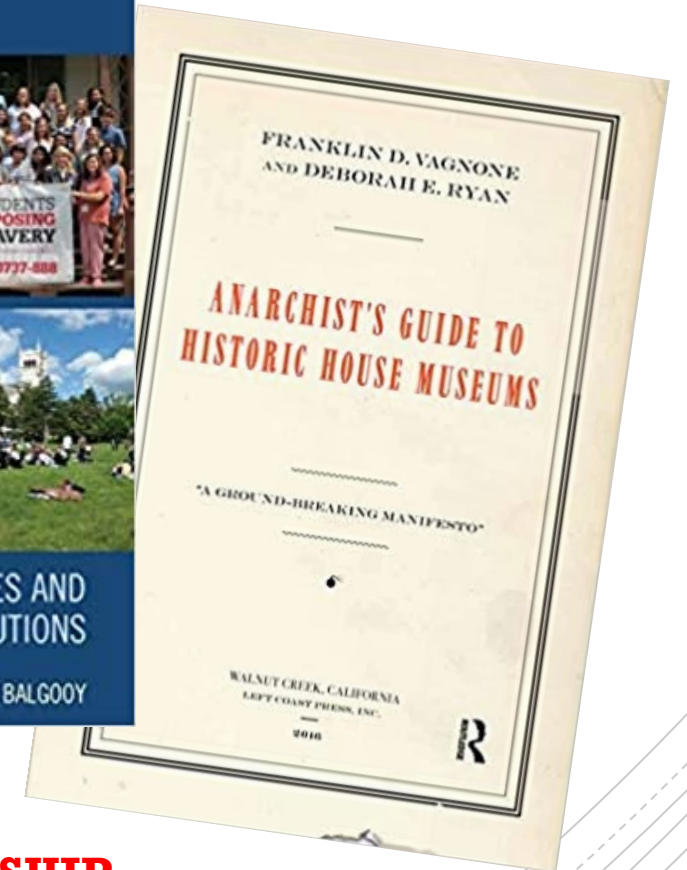

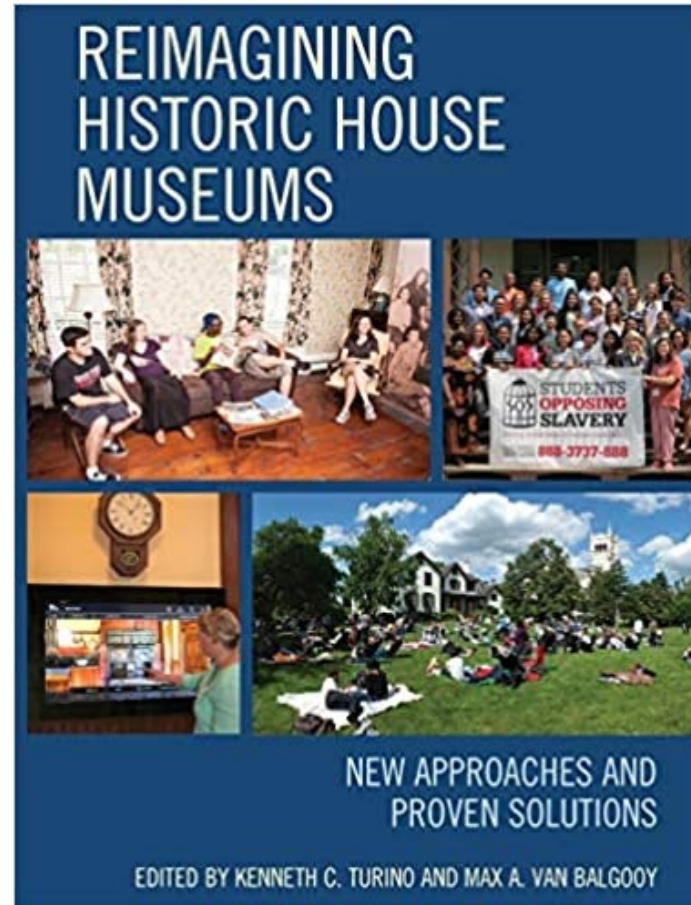

2021 Spring Semester at the President Wilson House

Zachary Burt

Student Volunteer Scholar at the Wilson House

Historic Preservation Graduate Student at Goucher College

Area of Interest:
Historic House
Museum
Management and
Operations

KEY WORD: STEWARDSHIP

Learning about
